

PARENT GUIDE YOU CAN HELP US! COLLECT MORE-EARN MORE

We are participating in TerraCycle® Brigade® collection programs! TerraCycle's goal is to eliminate the idea of waste by creating collection and solution programs for all kinds of typically non-recyclable waste. These programs are free, and for each unit of waste collected we will earn TerraCycle points redeemable for upcycled products, charitable gifts, or payment to our school.

At home, collect the waste listed below and send it in to school with your student. The waste will then be recycled through TerraCycle and we will earn funding for our school.
